Our Brewery

Lois & I (*Eddie*) set up this brewing business in the back of a smoky seafront boozier in 2002, trying our hardest to deliver really fresh, tasty, local beer to the pubs of East Kent. We eventually expanded production in 2006, when we moved into our own building, and again in 2010, when we built a new brewery. And with the help of our dear friends, the East Cliff Miscreants (and the Fancy West Cliffer), we've grown the business beyond all recognition. But though we've come a long way, we're still local, with over 90% of our beer being sold on draught in local East Kent pubs.

We remain committed to our original goal of brewing fresh, tasty, local beer for the fresh, tasty, local people of East Kent.

Our Shop

You can buy our bottled and draught beer direct from the brewery, through our little shop. Along side our own beer, caps and t-shirts, we stock an eclectic mix of some of the finest bottled beers from the UK and Europe, and you can buy fresh, draught beer for drinking at home too.

Opening times:

Monday-Friday 10am 'til 5pm
Saturday 10am 'til 1pm

Please note: we now take the plastic.
